MEMORANDUM FOR: Chief, FI/Plans

SUBJECT: Temporary Assignment of Louis G. COLTEDGE
to PP Activity

1. Subject of the attached memorandum, Louis G. COLTEDGE, who is a covert associate under contract with Project AEWASH, is being sent to Madrid, Spain, for 3-4 months on a temporary assignment involving a PP activity. A PP project covering this activity is being formulated and will be submitted for approval upon completion. However, since it is anticipated that there will be some delay involved before a fully qualified PP expert can be recruited for the new project, COLTEDGE has been assigned to Madrid temporarily to provide the required assistance, so that the necessary work may be started immediately.

2. The payment of travel and operational expenses incurred by COLTEDGE will be charged to the PP Developmental Funds, Allotment #6-3400-51-999. The estimated cost is about \$2,000.00
